

CROWN OVERHEAD GARMENT STORAGE CONVEYOR

**C R O W N
I N D U S T R I A L**

CROWN MODEL C20200 HD

**FOR HEAVY DUTY TROUBLE FREE APPLICATIONS
DESIGNED SPECIFICALLY FOR CORRECTIONAL INSTITUTIONS**

This unit can be engineered in a variety of lengths, shapes and configurations; utilizing maximum ceiling space. Overhead storage systems free up floor space to allow for additional floor storage or other operations.

CROWN OVERHEAD GARMENT STORAGE CONVEYOR MODEL C20200 HD

Our conveyor system can be controlled simply and efficiently by a single operator. A simple to use keypad button control calls up desired tracking number with pin point accuracy. Items are delivered to the pick up point with the push of a button.

No system is too complex for Crown Engineering "know how."
Consult our Engineering Staff with your specific requirements.
